

### PUPIL PREMIUM Funding Allocation: 2020-21

The Pupil Premium is funding given to schools to support specific groups of children who are vulnerable to possible underachievement. These groups include those who receive Free School Meals (FSM), Looked after Children (LAC), Previously Looked after Children (PLAC) and those pupils of Armed Forces families. For Free School Meals it also includes those pupils who have been on the FSM lists at any point in the previous six years. For schools in the academic year 2020/21 this equates to £1,345 per FSM student, and £2,300 for LAC- or those children adopted from care-PLAC. Those pupils of Armed Forces families are also allocated funding of £310 per pupil.

The aim of the pupil premium is to close the gap in attainment between the lowest and highest attaining pupils. Ellingham School received £14,325 with regard to its January 2020 school census data. Due to Covid-19 restrictions, there is a carry forward of £3,885 making the total for this academic year £17,710.

Specific pupil progress data is not given due to small cohort sizes.
