I am the Assistant Chief Constable for Northumbria Police with the lead for Communities in our region. This means that a large amount of my work is focused on listening to, and tackling the policing issues in your Neighbourhood. I would like to invite you to help shape how we do this.

Northumbria Connected is our new tool to ensure that we are delivering on the issues that affect all our communities across the North East.

We want to understand the issues that most impact you so that we can shape our Neighbourhood Policing to tackle them where you live.

On sign up you can decide on the updates you will receive in either text or email.

We can then send you a short survey to better understand what is impacting you and your community.

We believe no one knows their community better than the people who live and work there so we want to hear from you.
